

Standardized Series

Complete guidelines for photographing all types of face and body procedures and treatments.

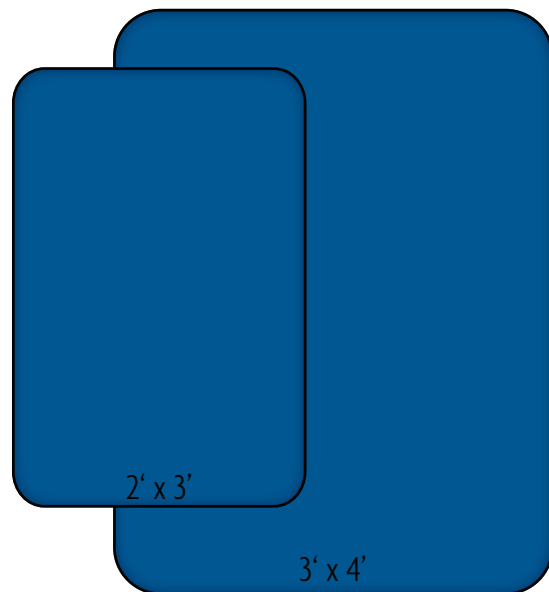

Patient Positioning Footmat

Ensures consistent patient alignment and center of gravity in 45° intervals.

Two-Sided Soft Backdrop (reversible blue/black)

Two grommets at top allow you to hang and reverse the backdrop easily.

Twin Flex Pop-Out Backdrops (reversible blue/black)

May be hung on the wall with attached handle or handheld. Stores in circular cloth bag.
